

FAASTeam presents:

# Man Machine and Environment

A power point presentation on accidents within the State of Louisiana showing the connection between the pilot, the aircraft and the environment with regard to these being contributing factors in the cause of each accident, We will also discuss Human Factors and the decisions that a pilot makes that can lead to having an accident. There will also be a discussion on fuel management and airworthiness issues, such as, after market installations of aircraft parts and un-approved part installation.

This will be a Spring Safety meeting sponsored by the Hammond Flying Club. Lunch will be provided by the Hammond Flying Club.

**Directions:** 1-12 to Hammond. Take Airport Rd. Exit and proceed north. The Airport Rd. dead ends at airport. Turn right and then first left to Top Gun. The seminar will be held in the Top Gun Aviation Hangar.
